

ENVIRONMENTAL POLICY STATEMENT

ENVIRONMENTAL MANAGEMENT TO BS/EN/ISO 14001:2015

L & J Lonsdale Ltd is a metal merchant, recycler and support services provider.

L & J Lonsdale Ltd cares about the environment in all its forms, and recognises that concern for the environment should be an integral and fundamental part of the business. It is aware of the effect of its operations on the environment; its objective is to balance the need to achieve its business aims with the need to protect and improve the local and global environment.

L & J Lonsdale Ltd has an environmental policy statement which provides a strategic framework outlining the company's commitment to its Environmental Management System. The policy includes a commitment to continual improvement, prevention of pollution, compliance with applicable legal requirements, compliance with other requirements, which relate to environmental aspects and sets and reviews environmental objectives and targets.

L & J Lonsdale Ltd conducts its operations to comply with all existing environmental legislation, has procedures in place to capture changes in legislation and aims to minimise the risk to ensure that all activities are carried out in an environmental responsible manner.

L & J Lonsdale Ltd has identified the key areas of energy consumption and usage as significant environmental aspects, to ensure operation of its facilities in a responsible manner and with due regard to the community in which it resides.

L & J Lonsdale Ltd has the objective to reduce the environmental impact of the company's activities and to encourage suppliers and customers to adopt sound environmental practices.

L & J Lonsdale Ltd will ensure that appropriate resources are available to achieve implementation and maintenance of the environmental system.

L & J Lonsdale Ltd provides any relevant information pertaining to the environment to ensure effective relations with the local and global community.
