

QUALITY POLICY STATEMENT

QUALITY MANAGEMENT TO BS/EN/ISO 9001:2015

It is the policy of L & J Lonsdale Ltd to provide its customers with a service that meets their expectations. The quality and safety of working conditions are also recognised to promote a good working environment for all personnel. With this in mind, L & J Lonsdale employs a Quality and Safety System designed to comply as a minimum with the requirements of ISO 9001:2008 and the Health & Safety at Work Act.

The Quality Policy of L & J Lonsdale Ltd is subject to annual review and it is essential that every employee is aware of our commitment to the Quality Management system, for which a Quality Manual has been prepared. In order to perform in an efficient manner and continue to meet the requirements of its customers and suppliers, L & J Lonsdale Ltd gives its full support to the implementation and maintenance of the Quality Managements system in accordance with ISO 9001:2008.

L & J Lonsdale Ltd is fully committed to the continual improvement of its Quality Management system. This includes setting measurable Quality objectives along with a framework to ensure these are subject to formal management review.

L & J Lonsdale Ltd in the provision of the goods and services it provides is fully committed to meeting and complying with statutory and regulatory requirements.

The Quality Manager will be responsible for the administration and maintenance of the Quality Management system but it must be borne in mind that Quality is the responsibility of all staff. Only with the co-operation of the workforce in performing his or her duties, in strict accordance with the relevant procedures, will the system achieve its objectives.
